Looking for a bull that will get your herd recognized through All-American type with high components and extreme longevity? Look at AWARD, a new Program for Genetic Advancement™ (PGA™) graduate. This CENTURION son follows the same pattern as his famous father of elite type, high components and long-lived daughters. AWARD daughters have flashy udders with tremendous height and width that produce high-components milk. Designated a HerdLife Builder™, AWARD daughters are turning into exceptional 3-year-olds that will hit the tan bark commanding attention. Let AWARD get your herd recognized, call your Select Sires representative today for the newest CENTURION son – AWARD!

The All Breed Access All-American Nominations are in!
CENTURION, PARAMOUNT, SAMBO and LEGION
were all represented in the milking classes.
